<ul style="list-style-type: none">● The United States welcomes UNICEF's Country Program Document for Guatemala and encourages UNICEF country office to engage stakeholders to discuss and address the following in the CPD:<ol style="list-style-type: none">1. To include data, if available, in the "Integrated management of acute malnutrition" to indicate that this is a public health priority area in the country.2. To consider paying greater attention to adolescent girls in the health and nutrition approach.3. To consider conducting a risk analysis to identify and manage risks specific to the Guatemala context including the risks of fraud, waste, and abuse. We ask UNICEF to include these in the "Programme and risk management" section of the CPD.4. To consider a feedback mechanism to capture suggestions and complaints. We ask UNICEF to		

<p>ensure a feedback mechanism for programming in the Monitoring and Evaluation section.</p> <p>5. To discuss and address the risks of COVID-19 on program implementation and how UNICEF would adapt. We ask UNICEF to include these in the CPD.</p>
